# HEAVY-DUTY ROLLER CHAINS

## GATE OPERATOR HARDWARE & ACCESORIES

We offer an extensive selection of heavy-duty roller chain in various sizes, including #41, #40, #50, and #60. These chains are packaged in convenient options of 10-ft boxes and 100-ft reels, catering to different needs and preferences. Additionally, the chains come in a variety of finishes, including standard (black), nickel plated, stainless Steel, and dacroment, each offering unique properties. Master links and Offset links are also available.
